

WOMEN AND LEADERSHIP™

SEPTEMBER 24- 25, 2024

Women and Leadership is a unique professional development experience. The Andrus Center's goal is to highlight women in leadership positions of all kinds and to encourage everyone to foster growth in themselves and others.

What's in store at this two day conference: keynote presentations by accomplished women leaders, hands-on skills training for personal and professional development, and an exclusive Networking reception. This is the perfect chance to connect and build skills for your future!
