

## Advisor Verification Form – Curricular Practical Training (CPT) Extension

**Form Purpose:** Students can be authorized for one semester of CPT work authorization at a time. If students wish to participate in another semester of internship then they must apply for a CPT extension. If you are in support of this student's request to extend their current CPT period for academic purposes, please complete this form. The student will then submit this form as part of their CPT extension application materials.

For more information about CPT, please visit our website: [Curricular Practical Training](#).

How many internship credit hours has this student completed to date?

Why is an extension of this internship academically necessary? Please note that increasing employability after graduation or earning money are not reasons that are accepted by U.S. Immigration for CPT extensions.

What are the new learning goals or outcomes expected from this semester's internship experience?

As the student's academic advisor, I certify the following (please check all that apply):

There is an academic need for the internship extension

The internship is required to complete the student's degree

The internship is required for the student to gather their dissertation research (doctoral students only)

The internship continues to add meaningful experience to the academic program
